

# Dr. Mangala El Charif

Writer, Philosopher and a Creative

## Biography & Research Interests

I am a Lebanese trilingual writer and academic researcher specializing in comparative literature. My current research interests stem around the interdisciplinary fields encompassing comparative linguistic and cultural approaches.

## Publications

### Knight of the Desert

[mangalacharif.github.io/knight\\_of\\_the\\_desert](https://mangalacharif.github.io/knight_of_the_desert)

This book explores the cognitive depth and the philosophical and psychological dimensions of the sayings of Sheikh Zayed bin Sultan bin Khalifa Al Nahyan.

### Saint-John Perse and Adonis, Comparative Poetry

This thesis is a comparative study of the works of a renowned French poet-diplomat and a Syrian-Lebanese poet, both of whom aim to recreate the world through the evocative power of language that has become a poetic power of creation.

## Education

### Doctor of Philosophy (Ph.D.) | Comparative Literature

University of Sorbonne Paris III, graduated with highest honors in 2003

### Master of Advanced Studies | French Language & Literature

University of Balamand, graduated with excellence in 1998

### Bachelor Degree | French Language & Literature

University of Balamand, graduated in 1995
